#### ON-THE-JOB AND OFF-THE-JOB TRAINING

This is where all the learners training and development takes place. They will be busy making sure they have packed all the essential items to complete their journey. This may include a qualification if it is identified as a requirement in the standard.

Formative assessment of skills, knowledge and behaviours is required in the delivery of the standard and this will be outlined in the assessment plan. Maths and English are required (level varies according to the standard).

## 4 CHECK IN *Are you ready to fly?*

### GATEWAY

In order for the learner to enter into the gateway phase and pass through airport check in, they will need all the correct documentation to travel. It will be the employers decision to place a learner through end-point assessment.

In order to pass through, the learner must have achieved:

- [Level 2 Diploma in Health and Social Care](#)
- [Evidence of the relevant behaviours](#)
- [Level 1 in Maths and English](#)
- [Undertaken a self assessment](#)

If all the above has been completed, employers can feel confident that they are putting forward learners who are in the best shape to pass their end-point assessment.

### END-POINT ASSESSMENT

- 50 correct answers - Merit
- 40 correct answers – Pass
- 25-39 correct answers – Retake within 3 months

However, learners can only apply to undertake the professional discussion aspect of the assessment once they have achieved a pass in the situational judgement test.
