Payment Terms: Training Qualifications UK will invoice for payment at the registration phase (25%) and upon the gateway process (75%). Payment terms 30 days.

*25% registration fee is transferrable to a new registration should an apprentice withdraw from the apprenticeship. Upon receipt apprentices, employers and training centres will gain access to the TQUK EPA management suite, our end-point assessment information packs, mock examinations, study tips, revision guides, training logs and self-assessment forms.

**75% fee paid at gateway is non-refundable as we anticipate that once the apprentice has passed through gateway they will be ready to undertake the end-point assessment elements. If the 75% payable upon gateway is not paid within 30 days of invoice we, as the AAO, will put a hold on any end-point assessment activities being undertaken and any certification processes.

Re-sit Fees: Training Qualifications UK offers one **free** re-sit per multiple-choice test where included within a standard. Element assessment re-sits will be charged per assessment and standard.
